**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Our internet provider Sonic.net provides excellent timely service on-site and excellent customer service online and over-the-phone. Imagine talking to someone who can help you on the 3rd ring. AT&T is dreadful with phone trees and long delays plus deceptive promotions. We know who pays for the endless mailings received from AT&T... their customers of course. No wonder they cannot compete on price or service. The commission should encourage competition at every opportunity.
